27. The attendance of the Members attending the e-AGM through VC/OAVM will also be counted along with members attending physically for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
28. Instructions for remote e-voting and joining the AGM through VC/OAVM are as follows:

THE INTRUCTIONS FOR SHAREHOLDRES FOR REMOTE E-VOTING ARE AS UNDER:

- (i) The Board of Directors of the company has appointed **M/s. Ojha & Associates**, Company Secretaries, as Scrutinizer for conducting the e-voting process for the Annual General Meeting in a fair and transparent manner.
- (ii) The voting period begins on **<Sunday, 26th September, 2021 from 09:00 A.M.>** and ends on **<Tuesday, 28th September, 2021 till 05:00 P.M.>**. During this period shareholders’ of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **<Friday, 24th December, 2021>** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (iii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

- (iv) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242** dated **09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (v) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Independent Auditor's Report

**To,
The Members of
GUJARAT WEDGE WIRE SCREENS LIMITED,
BARODA.**

Report on the Financial Statements

We have audited the accompanying Ind AS financial statements of **Gujarat Wedge Wire Screens Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss, including the Statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its profit including other comprehensive loss, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditors' Responsibilities for the Audit of the Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Emphasis of Matter

Material Uncertainty related to going concern

We draw attention in the financial statements, which indicates that the Company has a net cash profit of 9,34,827 during the year ended 31st March 2021 and, as of that date, the current liabilities exceeds its total assets by 76,30,349. As stated, these events or conditions, along with others matters as set forth in, indicates that a material uncertainty exists that may cast significant doubt on the management's ability to continue as a going concern.

Further We draw attention to Note 34 of the Ind AS financial statements, which describes the Management's assessment of the impact of the outbreak of COVID-19 on the business operations and financial position of the Company.

Our opinion is not modified in respect of this matter.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements for the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context. In addition to the matter described in the material uncertainty related to going concern section, we have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the Ind AS financial statements and our auditors' report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements for the financial year ended March 31, 2021 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) Section 143 of Act, we give in the "Annexure A", a statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;

- b. In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
- c. The Balance Sheet, the Statement of Profit & Loss, Cash Flow Statement and the Statement of Changes in Equity dealt with by this report are in agreement with the books of account.
- d. In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, *except those disclosures as required as per IAS-19 on Employee Benefits are not made.*
- e. On the basis of written representations received from the directors as on 31 March, 2021, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2021, from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in “Annexure B”;
- g. In our opinion, the managerial remuneration for the year ended March 31, 2021 is Rs. 1,64,321/- i.e. 11% of Profit of Rs. 14,93,827/- (Profit before Tax of Rs. 9,34,827/- plus Director Remuneration of Rs. 5,59,000/-). However, Company has paid Director Remuneration of Rs. 5,59,000.00. The excess remuneration of Rs. 3,94,679/- has been paid / provided by the Company to its directors in accordance with the provisions of section 197(4) i.e. the services rendered are of a professional nature read with Schedule V to the Act; and
- h. With respect to the other matters included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules 2014, in our opinion and to our best of our information and according to the explanations given to us:
- i) The Company does not have any pending litigations as at 31st March 2021.
- ii) The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
- iii) There has not been occasion in case of the Company during the year under the report to transfer any sums to the Investor Education and Protection Fund.

“Annexure-B” Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

We have audited the internal financial controls over financial reporting (‘Financial Controls’) of Gujarat Wedge Wire Screens Limited (“the Company”) in conjunction with our audit of the Company for the year ended March 31, 2021.

Management’s Responsibility for Internal Financial Control

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting and the Standards on Auditing specified under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the group are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the group's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at 31.03.2021:

- a) The company did not have an appropriate internal control system for customer acceptance, credit evaluation and establishing customer credit limits for sales which could potentially result in the company recognising revenue without establishing reasonable certainty of ultimate collection.
- b) The company did not have an appropriate internal control system for inventory with regard to receipts, issue for production and physical verification. Further the internal control system for identification and allocation of overheads to inventory was also not adequate. These could potentially result in material misstatements in the company's trade payables, consumption, inventory and expense account balances.

A 'material weakness' is a deficiency or a combination of deficiencies in internal financial control over financial reporting, such that there is a reasonable possibility that material misstatements of the company's annual financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the effects/ possible effects of the material weakness described above on the achievement of the objectives of the control criteria, the company has maintained, in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issues by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of 31.03.2021 and these material weaknesses does not affect our opinion on the financial statements of the company.

GUJARAT WEDGE WIRES SCREEN LTD
For the Year Ended 31.03.2021

Summary of the significant accounting policies and other explanatory information for the year ended 31 March 2021

Note-1: General Information

a) Company Overview

Gujarat Wedge Wire Screens Limited (the “Company”) is public limited Company domiciled in India. Company’s manufacturing facilities are at Halol, Baroda, Gujarat. Company is engaged in business of manufacturing and selling of wedge wire screens. The operation of the Company is mainly in Gujarat State.

b) Basis for preparation of financial Statements

The separate financial statements have been prepared to comply in all material aspects with the Accounting Standards notified under Section 133 of Companies Act, 2013 (the “Act”) as per Companies (Indian Accounting Standards (Ind AS)) Rules, 2015 and other relevant provisions of the Act and rules framed there under.

The financial statements up to year ended 31 March 2016 were prepared in accordance with the Accounting Standards as prescribed under Section 133 of the Act read with the Rule 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

These are the first Ind AS financial statements of the Company. Refer note 44 for understanding the transition from previous GAAP to Ind AS and its effect on the Company’s balance sheet, financial performance and cash flows.

The financial statements have been prepared on a historical cost convention and accrual basis. All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle and other criteria asset out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and

c) Functional and presentation currency

The financial statements are presented in Indian rupees, which is the Company’s functional currency.

d) Significant management judgements in applying accounting policies and estimation uncertainty

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are as follows:

- Determination of the estimated useful lives of tangible assets and the assessment as to which components of the cost may be capitalized.
- Impairment of Property, Plant and Equipment’s

- Recognition and measurement of defined benefit obligations
- Recognition of deferred tax assets
- Discounting of long-term financial liabilities
- Fair value of financial instruments
- Provisions and Contingent Liabilities

e) Fair value measurement

Management uses valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management bases its assumptions on observable data as far as possible, but this is not always available. In that case management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

Note:2 Significant Accounting Policies

a) Property, plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent cost are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance expenses are charged to profit or loss during the reporting period in which they are incurred.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 01 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

b) Depreciation/Amortisation

- i. Depreciation on fixed assets have been provided based on straight line method over the useful lives of assets as prescribed under Schedule II of the Companies Act, 2013. Depreciation on additions/deletion to fixed assets during the year is provided on a pro-rata basis. Intangible assets are amortised on straight line basis over a period of 10 years in line with AS-26.

c) Impairment of non-financial assets

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists.

If the carrying amount of the assets exceeds the estimated recoverable amount, impairment is recognized for such excess amount. The impairment loss is recognized as an expense in the Statement of Profit and Loss, unless the asset is carried at re-valued amount, in which case any impairment loss of the re-valued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset.

When there is indication that an impairment loss recognized for an asset in earlier accounting periods which no longer exists or may have decreased, such reversal of impairment loss is recognized in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss

d) Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of inventories comprises all costs of purchase and other costs incurred in bringing the inventories to their present location and condition. In the case of manufactured inventories and work-in-progress, cost includes an appropriate share of production overheads based on normal operating capacity. Net realisable value is estimated selling price in ordinary course of business less the estimated cost necessary to make the sale.

If payment for inventory is deferred beyond normal credit terms then cost is determined by discounting the future cash flows at an interest rate determined with reference to market rates. The difference between the total cost and the deemed cost should be recognised as interest expense over the period of financing under the effective interest method.

e) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments maturing within 90 days from the date of acquisition. Cash and cash equivalents are readily convertible into known amounts of cash and are subject to an insignificant risk of changes in value.

f) Financial Instruments

i) Financial Assets

Initial recognition and measurement

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. On initial recognition, a financial asset is recognised at fair value, in case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost is recognised in the statement of profit and loss. In other cases, the transaction cost is attributed to the acquisition value of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

(a) Financial Assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates, to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate (“EIR”) method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

(b) Financial Assets measured at fair value

Financial assets are measured at fair value through other comprehensive income (FVOCI) if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates, to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss.

(c) Financial assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss.

Impairment of Financial Asset

In accordance with Ind AS 109, the Company applies the expected credit loss (“ECL”) model for measurement and recognition of impairment loss on financial assets and credit risk exposures.

The Company follows ‘simplified approach’ for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk.

Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL impairment loss allowance (or reversal) recognised during the period is recorded as expense/ income in the Statement of Profit and Loss.

De-recognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

ii) Financial Liabilities

Initial recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest method.

Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

iii) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

g) Provisions and Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Such liabilities are disclosed by way of notes to the financial statements. No disclosure is made if the possibility of an outflow on this account is remote.

h) Revenue Recognition

Sales are recognised when goods are supplied and significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of contract and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of the goods. Sales are measured at the fair value of the consideration received or receivable including of excise duty and net of returns, trade discounts, rebates and sales taxes.

i) Employee benefits

Defined contribution plan

The Company's contribution to Provident Fund and Employees State Insurance Scheme is determined based on a fixed percentage of the eligible employees' salary and charged to the Statement of Profit and Loss on accrual basis. The Company has categorised its Provident Fund, labour welfare fund and the Employees State Insurance Scheme as a defined contribution plan since it has no further obligations beyond these contributions.

Defined benefit plan

The Company's liability towards gratuity, being a defined benefit plan is accounted for on the basis premium payment towards the fund created with LIC of India.

Service cost and the net interest cost is included in employee benefit expense in the Statement of profit and loss. Actuarial gains and losses comprise experience adjustments and the effects of changes in actuarial assumptions and are recognised immediately in 'other comprehensive income' as income or expense.

Leave Encashment

Provision is made for leave encashment. The amount of such liabilities is estimated by management on the basis of relevant factors including remuneration of employees.

j) Borrowing Costs

Borrowing costs are interest and other costs that the Company incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate applicable to the respective borrowing. Borrowing costs that are directly attributable to the acquisition of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalised as part of the cost of that asset till the date it is put to use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

k) Taxation

Income tax expense comprises current and deferred tax and is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity or in OCI.

i) Current Tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date.

ii) Deferred Tax

Deferred tax is recognized in respect of temporary differences arising between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized; such reductions are reversed when the probability of future taxable profits improves.

Unrecognized deferred tax assets are reassessed at each reporting date and recognized to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

l) Segment Reporting

The Company is engaged in business of Wedge Wire Screen from the single geographical location, which as per IAS considered as the only reportable business segment.

m) Earnings Per Share

Basic Earnings per share is calculated by dividing the net profit / (loss) for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit / (loss) for the period attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares

For the Year Ended 31.03.2021
Notes Forming Part Of The Financial Statement

30. Fair Value Measurements

Financial instruments by category:

All financial assets and financial liabilities of the Company are under the amortised cost measurement category at each of the reporting dates.

31. Fair Value Hierarchy

Category	Carrying Amount	Fair Value		
		Level-1	Level-2	Level-3
As on 31st March, 2021				
Financial Assets				
Non-Current financial assets-Others	1,25,360	-	1,25,360	-
As on 31st March, 2020				
Financial Assets				
Non-Current financial assets-Others	1,25,360	-	1,25,360	-

a) During the periods mentioned above, there have been no transfers amongst the levels of hierarchy.

b) The carrying amounts of Security deposits, other financial assets, fixed deposits with banks, current borrowings, trade payables and other current financial liabilities are considered to be approximately equal to their fair value, since those are current in nature

32. Financial Risk Management

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. Company's senior management oversees the management of these risks. It is Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors review and agree policies for managing each of these risks, which are summarised below.

a) Market risk

Market risk is the risk of any loss in future earnings, in realisable fair value or in future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of change in the interest rates, foreign currency exchange rates, liquidity and other market changes. Future specific market movements cannot be normally predicted with reasonable accuracy.

I. Interest rate sensitivity

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Company does not have significant exposure to the risk of changes in market interest rates as Company do not have any long-term debt obligations.

II. Foreign currency risk

The Company is not exposed to foreign currency risk as there are no foreign currency transactions.

b) Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. For the Company, liquidity risk arises from obligations on account of financial liabilities - borrowings, trade payables and other financial liabilities.

Liquidity risk management

Company's treasury department is responsible for liquidity and funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's netliquidity position through rolling forecasts on the basis of expected cash flows.

The table below summarises the maturity profile of Company's financial liabilities based on contractual undiscounted payments.

As on 31st March, 2021

Particulars	On Demand	Less than 1 year	More than 1 year	Total
Borrowings	55,36,204	0	22,00,000	77,36,204

	55,36,204	39,21,148	23,68,703	1,18,26,055

As on 31st March, 2020

Particulars	On Demand	Less than 1 year	More than 1 year	Total
Borrowings	50,80,312	0	22,00,000	72,80,312
Trade Payables	0	35,16,578	4,60,122	39,76,700
	50,80,312	35,16,578	26,60,122	1,12,57,012

c) Credit risk

Credit risk arises from cash and bank balances, current and non-current financial assets, trade receivables and other financial assets carried at amortised cost.

Credit risk management

To manage credit risk, the Company periodically assesses the financial reliability of customers and other counterparties, taking into account the financial condition, current economic trends, analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly. The Company uses a provision margin to compute the expected credit loss allowance for trade receivable.

Bank balances are held with only high rated banks. Trade receivables are generally recovered within the credit period. Accordingly, the provision for impairment is considered immaterial. Also, trade receivables are monitored on periodic basis for any non-recoverability of the dues.

The ageing of Trade Receivables is given in below format

Particulars	Not due	0-180 days	181-365 days	Above 365 days	Total
As on 31st March, 2021	0	31,29,008	34,697	6,961	31,70,666
As on 31st March, 2020	0	11,01,356	25,360	0	11,26,716

33. Capital Risk Management

For the purpose of the Company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

34.The outbreak of Coronavirus (COVID-19) pandemic globally and in India has caused significant disturbance and slowdown of economic activity.

The Company has made an assessment of the impact of the pandemic on its operations and the carrying value of current and non-current assets and financial position based on the internal and external sources of information and indicators of economic forecasts. Based on such assessment, the Company is confident of recovering the carrying value of these assets as at March 31, 2021 and fulfil its obligations as and when they fall due.

The future impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions.
